

F. No. 01/19/2022-MITRA
Government of India
Ministry of Textiles

GPOA-3, Netaji Nagar, New Delhi
Dated: 12th August, 2026

To,

1. PM MITRA Park Gujarat Limited
2. PM MITRA Park Uttar Pradesh Limited
3. PM MITRA Park Madhya Pradesh Limited
4. PM Mega Integrated Textile Regions and Apparel Park Tamil Nadu Limited
5. PM MITRA Park Karnataka Limited
6. CEO, Maharashtra Industrial Development Corporation (MIDC)
7. CEO&MD, Telangana Industrial Infrastructure Corporation (TGIIC)

Subject: 2nd Revised Guidelines for release of Grants under PM MITRA Scheme-reg.

Sir/Madam,

In the 10th Project Approval Committee (PAC) meeting held on 08.07.2026 under the chairpersonship of Secretary(Textiles), 2nd Revised guidelines for release of Grants under PM MITRA Scheme in terms of para 9 of the Scheme Notification dated 20.10.2021 has been approved.

2. Accordingly, the 2nd revised guidelines comprising Annexure (I-V) are being circulated as per enclosure.

Encl: As above.

Yours faithfully,

(Arya Kumar Das)

Under Secretary to the Government of India.

**MINISTRY OF TEXTILES
GOVERNMENT OF INDIA**

Dated: 12-Aug-2026

**2nd Revised Guidelines for release of Funds under PM MEGA INTEGRATED
TEXTILE REGION AND APPAREL (PM MITRA) PARKS SCHEME, in terms of
Para 9 of the Scheme Notification dated 20.10.2021.**

1. Introduction

- 1.1. Ministry of Textiles (Ministry of Textiles) has launched **PM Mega Integrated Textile Regions and Apparel Parks (PM MITRA) Scheme** to strengthen the Indian textile industry by way of enabling scale of operations, reduce logistics cost by housing entire value chain at one location, attract investment, generate employment and augment export potential.
- 1.2. The scheme will help develop integrated large scale and modern industrial infrastructure facility for total value-chain of the textile industry for example, spinning, weaving, processing, garmenting, textile manufacturing, processing and printing machinery industry.
- 1.3. PM MITRA Parks have been selected to be located at sites which have inherent strengths for textile industry to flourish and have necessary linkages to succeed.
- 1.4. The governance and implementation mechanism of the scheme has been outlined in the Ministry of Textiles Notification dated the 20th October, 2021 on the subject of setting up of PM Mega Integrated Textile Regions and Apparel (PM MITRA) Parks. (Gazette Notification सी.जी. -डी.एल.-अ.-21102021-230585 CG-DL-E-21102021-230585; F.No.20/1/2019-SITP).
- 1.5. The scheme envisages three models for development of the PM MITRA Parks viz. (a) PPP mode- Master Developer led Model; (b) Hybrid Model (PPP/EPC) and (c) SPV led Model- development of Parks by State Governments through State Industrial Development Corporations (IDCs) as Implementing Agencies (IAs).
- 1.6. Vide Document dated 1^{5th} January, 2022, Ministry of Textiles published, Operational Guidelines for PM MEGA INTEGRATED TEXTILE REGION AND APPAREL (PM MITRA) SCHEME in terms of Para 9 of Scheme Notification dated 20th October, 2021 which were revised vide document dated 28th August 2025.
- 1.7. The current- 2nd Revised Guidelines are in supersession of the earlier guidelines.

2. Eligibility& Modalities:

- 2.1. PM MITRA Parks are being set up on the basis of proposals received from State Governments having ready availability of contiguous and encumbrance-free land parcels of

minimum 1000 acres. The State Government has transferred land to the Special Purpose Vehicle (SPV) at notional price. The land asset will be used to attract investment in the PM MITRA parks for development and maintenance of the parks with high standard specifications.

- 2.2. Separate SPVs- one each for every Greenfield Park- each a legal entity (with 51% equity shareholding of the respective State Government and 49% of Govt of India) have been set up to for the purpose of implementing the Scheme for Greenfield PM MITRA Parks-
- 2.3. For the Brownfield Parks, the existing institutional arrangements for park implementation will continue
- 2.4. Depending on the implementation mechanism adopted, the SPVs will get developed Model RFQ, RFP and Concession Agreement for transparent selection of Master Developer or the relevant RFP/Tender documents for transparent selection of Project Management Consultant(s) and EPC Contractor(s) as the case may be.
- 2.5. The specific modalities for use of the land will be defined in DPR and in case of the Master Developer led model, also in the transaction documents namely Request for Qualification (RFQ), Request for Proposal (RFP), Concession Agreement. The transaction document will be formulated in consultation with the State Government, Department of Economic Affairs, Ministry of Finance, Department for Promotion of Industry and Internal Trade (DPIIT) and NITI Aayog.
- 2.6. The location of PM MITRA Park sites was finalised through a challenge method-based selection process.

3. Funding & Release of Funds under PM MITRA Park Scheme by GOI:

- 3.1. The Scheme has a budget outlay of Rs. 4445 cr. including administrative expenses of Rs 30 cr. over a 7-year period up to 2027-28. Selected Sites will be released Grants in Aid for infrastructure development/ construction of PM MITRA parks based on the approved DPR/Master Plan as per guidelines of the PM MITRA Scheme.
- 3.2. The release of grant (DCS/CIS) from the Ministry of Textiles shall be governed by GFRs and as per TSA guidelines and any other guidelines stipulated by the Ministry of Textiles, Ministry of Finance or any other competent authority from time to time.
- 3.3. Phase-II development will be triggered only upon meeting pre-defined Performance Linked Parameters including CI/SI construction, land allotment/occupancy, defined investment achievement and generation of predefined amounts of employment.
- 3.4. The GoI shall release the grant under DCS as per scheme guidelines; however, the responsibility for ensuring all financial closures and financing all activities including construction and maintenance activities in the Park shall be that of the Mater Developer/Implementing Agency/State Implementing Agency/State Govt. (based on the implementation model adopted).

3.5. Development Capital Support (DCS):

3.5.1. The Govt of India will provide DCS in the form of Grant-in -Aid (Capital) to the Park SPV. DCS is a support for creation of Core Infrastructure e.g. Internal Roads; Power Distribution Infrastructure; Water and Waste Water treatment and other facilities; Development of Plug & Play Infrastructure for Textiles, Apparel Manufacturers, Accessories Manufacturers; etc. DCS can also be used for creating Support Infrastructure, e.g. Common Processing Facility, Common Effluent Treatment Plant (CETP), Workers' Hostel & Housing, (Specially for women Worker), Health Facility, Training & Skill Development, Incubation Centres Warehousing, Logistics etc.

3.5.2. Expenditure on Constitution of SPV, Planning of PM MITRA parks, Fees of PMA, Development of DPR/ Model RFQ/RFP & Concession Agreement and Selection of Master Developer will be permitted.

3.5.3. The Development Capital Support (DCS) shall be provided @30% of the total project cost with a maximum support of ₹ 500 Cr/per park and ₹200 cr. per park for Greenfield and Brownfield Parks respectively.

3.5.4. The DCS will be provided in two Phases:

Phase I	₹ 300 Cr/per Park for Greenfield Parks and ₹100 Cr/per park for Brownfield Park, as per phasing of construction.
Phase II	₹ 200 Cr/per park for Greenfield Park and ₹100/ per park Cr for Brownfield Park.

Phase II will be triggered only upon meeting pre-defined Performance Linked Parameters.

3.6. Competitive Incentive Support (CIS)

3.6.1. For incentivizing manufacturing units to get established early in PM MITRA Park, there is a provision of ₹ 300 Cr per park as Competitive Incentive Support (CIS)

3.6.2. Incentive will be provided to manufacturing units up to 3% of the total eligible sales turnover to the unit established in the PM MITRA Park to reduce its cost and offset its disadvantages to a certain extent.

3.6.3. The CIS will be Fund Limited and it will be available on a first come first serve basis.

3.6.4. The incentives will only be available to those manufacturing companies who are not availing benefits of Production Linked Incentive (PLI) for Textile Scheme.

3.6.5. There will be a cap of ₹10 cr. per annum on incentive and a maximum cap of ₹30 cr for one anchor investor company with an investment of ₹300 cr. or above in its unit in PM MITRA Park.

3.6.6. There will be a cap of ₹5 cr. per annum on incentive and a maximum cap of ₹15 cr. for one Investor Company with an investment of ₹100 cr.

3.6.7. There will be a cap of ₹1 cr. per annum on incentive and a maximum cap of ₹3 cr. on incentive for other investor companies and tenant companies, but they must have employment of 100 persons and above.

3.6.8. Further detailed guidelines, are issued separately with the approval of the Project Approval Committee (PAC).

3.7. Administrative Support to PM MITRA SPV/SIA

3.7.1. Each PM MIRA Park SPV/SIA will be granted support to meet administrative and statutory expenses.

3.7.2. In case of green field parks, MoT support will be in the ratio of 49:51 (Equity ratio in SPV) subject to maximum of Rs. one crore.

3.7.3. In case of brown field park, MoT support will be in the ratio of 50:50 subject to maximum of Rs. forty lakhs.

3.7.4. The details related to disbursement of funds are enclosed at **Annexure-V**.

4. Release of GoI Funds under Development Capital Support (DCS):

The fund release mechanism will be governed as per the model and category of the park. These are described in the following paragraphs:

4.1. Greenfield Parks-Master Developer Led Parks being Developed on PPP Model

4.1.1. The Ministry of Textiles grant will be released on the basis of progress of the project and matching contribution from Master Developer (MD). In case of green field parks the first tranche of ₹50 cr. will be released after mobilization of ₹50 cr. by the Master Developer and utilization of minimum ₹25 Crore for development of some part of core/ support infrastructure. Further release will be made after utilization of the Funds (as per the details mentioned in Annexure-II) of earlier mobilized resources based on report of Independent Engineer (IE) along with evidence of commensurate physical progress. Matching contribution of MD/and commensurate physical progress at the site will be ensured prior to release of the next tranche.

4.1.2. For Parks being developed under this model, Phase-II will be triggered only on completion of following milestones:

4.1.2.1. 60% completion of construction works, and:

4.1.2.2. Investment of ₹2500 crore or employment of 25,000 persons.

4.1.3. Separate bank accounts shall be kept for the funds released by GOI and funds mobilized by the Master Developer and will be subject to audit by the Comptroller & Auditor General of India and any other agency nominated by Ministry of Textiles.

4.1.4. The Master Developer may also be required to open and operate escrow/other accounts as per terms and conditions of the RFP/DCA and the directions of the SPV and the Ministry of Textiles from time to time.

4.1.5. Details of procedure and funds to be released for such Greenfield projects are enclosed at Annexure-II.

4.2. Greenfield Parks-SPV Led Parks where implementation is being carried out by the State Governments through their respective Industrial Development Corporations (IDCs) as Implementing Agencies (IAs)

4.2.1. The Ministry of Textiles grants will be released on the basis of progress of the project and matching contribution from State Government/IDC/Implementing Agency. The first tranche will be released after mobilization/utilization of at least ₹ 25 Crore by the State Government/IDC/Implementing Agency on physical infrastructure such as Core Infrastructure (CI)/ Supporting Infrastructure (SI) (excluding land) inside the Park or external Infrastructure development (Power/water/road) till the park gates. Further releases will be made after utilization of the funds (as per the details mentioned in Annexure-III) of earlier mobilized resources based on report of PMC along with evidence of commensurate physical progress. Matching contribution of State Government/IDC/Implementing Agency and commensurate physical progress at the site will be ensured prior to release of the next tranche.

4.2.2. It is clarified that while work done outside the Park gates can be counted for determining eligibility for release of grant, the actual DCS grant from the Government of India can only be used for work done inside the Park as per DCS guidelines and no portion of that grant can be used for any work done outside the Park gates

4.2.3. The DCS will be provided for Greenfield Parks in two phases @ Rs. 300 cr. /per park/each in Phase I and the balance Rs 200 cr./park in phase II. Phase II will be triggered upon meeting pre-defined Performance Linked Parameters and successful achievement of milestones of Phase I.

4.2.4. Detailed and Separate accounts shall be kept by the IAs for the funds released by GOI and funds mobilized by the State Government/IDC/Implementing Agency and will be subject to audit by the Comptroller & Auditor General of India and any other agency nominated by Ministry of Textiles.

4.2.5. The State Government/IDC/Implementing Agency will also open and operate escrow/other accounts as per terms and conditions of the MoU/JV agreement and the directions of the SPV/PAC and the Ministry of Textiles from time to time.

4.2.6. Details of procedure and funds to be released for the above category of Parks is enclosed at **Annexure-III.**

4.3. Brownfield Parks-existing institutional arrangements for park implementation will continue and the Parks will be implemented by the designated State Implementation agency (SIA).

- 4.3.1.** The Ministry of Textiles grant under DCS for the Brownfield Parks will be released on the basis of progress of the project and matching contribution (where ever applicable) from State Government/IDC/State Implementing Agency.
- 4.3.2.** Only those works that were sanctioned after the selection of the State under the PM MITRA Scheme or only the balance or unpaid component of the work in case of works sanctioned before the said selection would be considered for support in case of Brownfield Parks.
- 4.3.3.** However, the maximum amount that can be released/utilised for the balance or unpaid component of the work in case of works sanctioned before the selection of the State under the PM MITRA Scheme shall be restricted to Rs. 50 cr./per park only.
- 4.3.4.** The DCS will be provided in two phases @ Rs. 100 cr. /per park/each phase. Phase II will be triggered upon meeting pre-defined Performance Linked Parameters and successful achievement of milestones of Phase I.
- 4.3.5.** The first tranche will be released after a sanction of work at least ₹ 100 Crore by the State Government/IDC/State Implementing Agency and utilization of at least ₹ 15 Crore for physical infrastructure such as Core Infrastructure (CI)/ Supporting Infrastructure (SI) inside the park (excluding land) or on external infrastructure such as Power/water/road Infrastructure development till park gate. Further releases will be made after utilization of the funds (as per the details mentioned in Annexure-IV), of earlier mobilized resources based on report of SIA along with evidence of commensurate physical progress. Matching contribution (where ever applicable) of State Government/IDC/Implementing Agency and commensurate physical progress at the site will be ensured prior to release of the next tranche, (as per details mentioned in **Annexure-IV**).
- 4.3.6.** Detailed accounts shall be kept for the funds released by GOI and funds mobilized by the State Government/IDC/State Implementing Agency and will be subject to audit by the Comptroller & Auditor General of India and any other agency nominated by Ministry of Textiles.
- 4.3.7.** The State Government/IDC/State Implementing Agency will open and operate escrow/other accounts as per terms and conditions of the MoU and the directions of the Park Monitoring Committee headed by Secretary (Textiles) and the Ministry of Textiles from time to time.
- 4.3.8.** Details of compliance & procedures to be complied and funds to be released for Brown field category of PM MITRA Parks is at **Annexure-IV**.

5. Project Monitoring:

- 5.1.** Ministry of Textiles will periodically monitor the progress of the projects under the Scheme. The Ministry of Textiles has appointed a Project Management Agency (PMA)

which acts as the Technical Support arm by providing secretarial, managerial and implementation support to Ministry of Textiles for effective implementation of the Scheme.

- 5.2.** In case of Brownfield Parks, there shall also be a Park Monitoring Committee headed by Secretary (Textiles), Government of India and comprising other officers of the Ministry of Textiles and also comprising of Principal Secretary, Department of Industries/Textiles, Govt. of the State and the MD/CEO/ Head of the SIA. The Committee shall meet once every month to monitor the progress of the park, recommend release of grants and decide key policy issues relating to the development of the PM MITRA Park.

6. Project Approval Committee (PAC):

- 6.1.** The proposals under the Scheme will be approved by the Project Approval Committee. The PAC shall have the following composition:

Secretary Textiles – Chairman
Financial Advisor, Ministry of Textiles - Member
AS/JS Ministry of Textiles – Member Convenor
Representative of NITI Aayog - Member
Representative of DPIIT – Member

- 6.2.** PAC will have the authority to approve the Preliminary Project Reports (PPR) and accordingly sanction projects; monitor the expenditure under DCS and CIS based on objective criteria. The PAC will also fine-tune the DCS and CIS policies such as linking benefits with investment and other objective parameters with the aim of the earliest operationalisation of maximum number of units in PM MITRA Parks.
- 6.3.** PAC will have the final authority in the matters arising during the operation of the scheme.
- 6.4.** PAC will be assisted by Project Management Agency.
- 6.5.** The Ministry of Textiles has appointed The National Industrial Corridor Development Corporation (NICDC) as Project Management agency (PMA) to assist the Ministry and act as the Technical Support arm by providing secretarial, managerial and implementation support to Ministry of Textiles for effective implementation of the Scheme.

7. Submission of Proposals and its Evaluation

- 7.1.** Following the approval of the scheme by the Union Cabinet, the Ministry of Textiles invited all states to send proposals to the Ministry under the Scheme.
- 7.2.** In response, willing State Governments having unencumbered and contiguous land parcels of a minimum of 1000 acres for industrial development submitted project proposals to the Ministry of Textiles. The State Governments provided a Preliminary Project Report for development of PM MITRA Park along with a map of the site and road linkage to the Port/ National Highway/ Dedicated Freight Corridors/ Inland Container Depot/Container Freight Station/ Railway Siding etc as per selection criteria in Annexure I. The applicant State Governments confirmed the permission for industrial land use and commercial land use for 10% of the area. The States had also confirmed support for Environment Clearance for the project.

8. Evaluation and Approval Process:

8.1. Evaluation Criteria for Preliminary Selection of Sites: Eligible proposals i.e. proposals that fulfilled the qualifying criterion under the scheme were evaluated using a transparent challenge method based on objective criteria. as in **Annexure I**

8.2. Selection of Sites offered by State Governments through Challenge Route: After detailed evaluation using the Challenge Method described above, the Government in the Ministry of Textiles approved setting up of PM Mega Integrated Textile Region and Apparel (PM MITRA) Parks in 7 (Seven) Greenfield/Brownfield sites as under:

Site	State	Type
Virudhnagar	Tamil Nadu	Green field sites
Navsari	Gujarat	
Kalaburagi	Karnataka	
Dhar	Madhya Pradesh	
Lucknow	Uttar Pradesh	
Amravati	Maharashtra	Brown field sites
Warangal	Telangana	

9. Finalization of RFQ, RFP and Concession Agreement and selection of Execution Agencies

9.1. The Ministry of Textiles will provide handholding support to SPVs for development of contracts relevant to specific categories and models of operations with the assistance of PMA. The Brownfield Parks will continue to implement the scheme as per their earlier existing institutional arrangements.

9.2. The DPRs would be contextualised for the site. However, they would have facilities finalised as necessary by the PAC. The model documents may have to be tweaked (if required) in consultation with State Governments, NITI Aayog and DEA, Ministry of Finance as represented in PAC, per requirement of specific site.

9.3. The SPV selected implementing agency or the Master Developer, as the case maybe (based on implementing model selected) should prepare the detailed project report/Master Plan of the PM MITRA Park including the core Infrastructure: roads, drainage, sewage, solid waste management, treatment plants etc. to be developed. This DPR should be approved by the SPV.

9.4. The work for PM MITRA Park will start as per the requirements of the Detailed Project Report.

Eligibility Criteria (Qualification Criteria)			
#	Criteria	Requirement	Remarks
	Land • Contiguous • Encumbrance Free • Location of the park site vis-à-vis Eco-Sensitive Zone • Site Layout Plan • Land Clearance (Land use) • Ease of access	1000+ Acres	State to submit an undertaking that proposed land is earmarked for setting up of MITRA park and the same is not allocated for any other purpose.

Selection Criteria

Sr. No.	Challenge Metrics	Weightage (%)
01	Connectivity to Site • Nearest Highway from site -Kms from site. • Distance from Air cargo/Airport/Railhead – Kms from site • Distance from Sea port/Inland Waterway/Dedicated Freight Corridor. • Distance from Multi Modal Logistic Park /ICD/CFS.	25
02	Existing Ecosystem for Textiles • Distance from existing Textile Cluster. • Availability of raw material and skilled manpower suitable for textiles industry • Availability of Skill Development Institutes/Research associations/institutes.	25
03	Availability of Utilities Services at Site • Assurance of availability of Good Quality Power Source at the site to support the development and operation of PM MITRA park • Assurance for Power Distribution license for Master Developer for PM MITRA Park area along with permission for open access sourcing of power. • Dedicated Water Source and assured availability of fresh water for the PM MITRA Park. • Municipal & Solid Waste Management System in the area • Distance from Industrial waste recycling facility • Long term cost of Power and Water	20
04	State Industrial /Textile Policy • Industrial Policy/ Textile Policy for encouraging setting up of textile units • Details of Incentive available • Single Window Clearance to facilitate speedy implementation of investments/FDI- Details of	20

	single window approval mechanism proposed to be set-up for the PM MITRA park • Ease of Doing Business (EoDB) ranking of the State in last 5 years • Analysis of last 5-year investment trend in the State. • Status of adoption of new labour codes and quantum of relaxation being provided for Textile Industry in New Labour Code	
05	Environmental & Social Impact • Undertaking from the State Government that the site is not impacted by any environmental sensitive area and support for expeditious Statutory Clearances	10

Annexure-II

Guidelines for release of funds from Govt. of India under the PM MITRA Scheme under the Development Capital Support (DCS) component for Parks being implemented through the MD led model

For Greenfields Projects PPP MD led Model PHASE-I (Instalments and pre conditions for release)	Ministry of Textiles Grant in Aid (₹ in Cr.)	Fund Mobilization Master Developer (₹ in Cr.)
FIRST INSTALLMENT	50	50
(a) Onboarding of Master Developer (b) Mobilization of ₹ 50 Crores by MD as Matching Contribution (c) UC of Rs.25 Cr for CI/SI		
SECOND INSTALLMENT	100	100
(a) UC of 75% of total fund mobilized (GoI Rs.50 Cr + MD Rs.50 Cr) (b) Mobilization of ₹ 100 Crores by MD as Matching Contribution. (c) Commensurate Physical Progress on site as certified by IE (d) Minimum saleable industrial area of 20% allotted		
THIRD INSATLLMENT	100	100
(a) UC of 75% of ₹ 300Cr. (GoI Rs.150 Cr+ MD SPV Rs.150 Cr) (b) Mobilization of ₹ 100 Crores by MD as Matching Contribution (c) Commensurate Physical Progress on site as certified by IE (d) Minimum cumulative saleable industrial area of 40% allotted and investment commitment of Rs. 750 crores or employment of 10000 persons.		
FOURTH INSTALLMENT	50	50
(a) UC of 75% of ₹ 500Cr. (GoI Rs.250 Cr+ MD SPV Rs.250 Cr) (b) Mobilization of ₹ 50 Crores by MD as Matching Contribution (c) Commensurate Physical Progress on site as certified by IE (d) Minimum cumulative saleable industrial area of 60% allotted and cumulative investment commitment of Rs. 2500 crores or employment of 25000 persons.		
Note: Phase-II development will be triggered once land occupancy by construction of minimum 60% of planned development in industry/processing area and one of following conditions are simultaneously met: a) Cumulative investments of ₹ 2500 Crore made at the PM MITRA Park; b) Cumulative annual employment of 25000 people generated at PM MITRA Park;		

Funds under Phase II will be disbursed in following way: -		
For Greenfields Projects PPP MD led Model PHASE-II (Instalments and pre conditions for release)	Ministry of Textiles Grant in Aid (₹ in Cr.)	Fund Mobilization Master Developer (₹ in Cr.)
FIFTH INSTALLMENT	100	100
(a) UC of 90% of ₹ 600 Cr. (GoI Rs.300 Cr+ MD SPV Rs.300 Cr) fund mobilized in Phase I) (b) Mobilization of ₹ 100 Crores by MD as Matching Contribution (c) Commensurate Physical Progress on site as certified by IE. (d) Minimum cumulative industrial saleable land area of 75% allotted and cumulative investment commitment of Rs. 3500 crores or employment of 35000 persons.		
SIXTH INSTALLMENT	100	100
(a) UC of 100% of ₹ 800 Crores (GoI Rs.400 Cr+ MD Rs.400 Cr) (b) Mobilization of ₹ 100 Crores by MD as Matching Contribution (c) Commensurate Physical Progress on site as certified by IE (d) Minimum cumulative industrial saleable land area of 85% allotted and cumulative investment commitment of Rs. 4500 crores or employment of 45000 persons.		
TOTAL	200	200
Grand Total (Phase-I & Phase-II)	500	500

Annexure-III

Guidelines for release of funds from Govt. of India under the PM MITRA Scheme under the Development Capital Support (DCS) component for Parks being implemented through the SPV led model (through respective State Industrial development Corporations (IDCs))

For Greenfields Projects SPV-IDC led Model PHASE-I (Instalments and pre conditions for release)	Ministry of Textiles Contribution (₹ in Cr.)	State Govt./IDC contribution (₹ in Cr.)
FIRST INSTALLMENT	50*	-
(a) 100% Land available, Master plan, Layout, DPR etc. approved by SPV. (b) Environmental Clearance initiated/obtained, all documents submitted (c) Land Clearance, site preparation, land transfer to SPV (d) Power and Water till park gate- project sanctioned, funds allotted, work started. (e) Rs. 50 Crores expended by the State Government/IDC/Implementing Agency on physical infrastructure such as Core Infrastructure (CI)/ Supporting Infrastructure (SI) inside the Park or Infrastructure development (Power/water/road) till the park gates** <i>Provided that in case the State Government/IDC/Implementing Agency has not expended Rs. 50 Crores but has utilized at least Rs. 25 Crores on the above items of infrastructure, then the eligible grant amount will be Rs. 25 cr.</i> <i>**It may be noted that while work done outside the Park gates can be counted for determining eligibility for release of grant, the actual DCS grant from the Government of India can only be used for work done inside the Park as per DCS guidelines and no portion of that grant can used for any work done outside the Park gates</i>		
SECOND INSTALLMENT	100	100
(a) PMC on boarded (b) At least 1 EPC for construction Contract out of the approved package awarded. (c) Mobilization of ₹ 100 Crores by State Govt./IDC as Matching Contribution (d) Minimum cumulative saleable industrial area of 20% allotted (e) At least 75% of Rs. 100 crores including Previous GoI grant released of Re. 50 crores instalment utilized and UC submitted along with the contract wise cumulative physical & financial progress report.		

THIRD INSATLLMENT	100	100
(a) At least 75% of the previous instalments (150+150) utilized and UC submitted. (b) Commensurate Physical Progress on site as certified by PMC (c) Mobilization of ₹ 100 Crores by State Govt./IDC as Matching Contribution (d) Minimum cumulative saleable industrial area of 40% allotted and investment commitment of Rs. 750 crores or employment of 10000 persons.		
FOURTH INSTALLMENT	50	50
a) At least 75% of Rs. 500 crores the previous (250+250) instalments utilized and UC submitted along with the contract wise cumulative physical & financial progress report b) Commensurate Physical Progress on site as certified by PMC c) Mobilization of ₹ 50 Crores by State Govt./IDC as Matching Contribution d) Minimum cumulative saleable industrial area of 60% allotted and cumulative investment commitment of Rs. 2500 crores or employment of 25000 persons.		
Note: Phase-II development will be triggered once land occupancy by construction of minimum 60% of planned development in industry/processing area and one of following conditions are simultaneously met: a) Cumulative investments of ₹ 2500 Crore made at the PM MITRA Park; b) Cumulative annual employment of 25000 people generated at PM MITRA Park;		
Funds under Phase II will be disbursed in following way: -		
For Greenfields Projects SPV-IDC led Model PHASE-II (Instalments and pre conditions for release)	Ministry of Textiles Grant in Aid (₹ in Cr.)	Fund Mobilization Master Developer (₹ in Cr.)
FIFTH INSTALLMENT	100	100
(a) At least 90% of the previous (300+300) instalments utilised and UC submitted along with the contract wise cumulative physical & financial progress report (b) Mobilization of ₹ 100 Crores by State Govt./IDC as Matching Contribution (c) Commensurate Physical Progress on site as certified by PMC (d) Minimum cumulative industrial saleable land area of 75% allotted and		

cumulative investment commitment of Rs. 3500 crores or employment of 35000 persons.		
SIXTH INSTALLMENT	100	100
(a) 100% amount of the previous (400+400) instalments utilised. (b) Commensurate Physical Progress on site as certified by PMC. (c) Mobilization of ₹ 100 Crores by State Govt./IDC as Matching Contribution (d) Minimum cumulative industrial saleable land area of 85% allotted and cumulative investment commitment of Rs. 4500 crores or employment of 45000 persons.		
Note: 1) The State Govt./Implementing Agency will open/operate separate designated account(s) or Escrow account as directed by the Ministry of Textiles/SPV.		

Guidelines for release of funds from Govt. of India under the PM MITRA Scheme under the Development Capital Support (DCS) component for Parks being implemented through the SIA led model (through respective State Implementation Agency) for Brownfield PM MITRA Park

For Brown fields Projects SIA led Model PHASE-I (Instalments and pre conditions for release)	Ministry of Textiles Contribution (₹ in Cr.)	State Govt./IDC/SIA contribution (₹ in Cr.)
FIRST INSTALLMENT	30**	-
(a) 100% Land available, Master plan, Layout, etc. prepared by State Government/ State Implementing agency (b) Land Clearance, site preparation completed (c) Power and Water till park gate- project sanctioned, funds allotted, work started (d) Environmental Clearance obtained (e) At least Rs 100 crores sanctioned for physical infrastructure such as Core Infrastructure (CI)/ Supporting Infrastructure (SI) inside the Park or Infrastructure development (Power/water/road) till the park gates and at least Rs. 30 cr. Expended** <i>Provided that in case the State /IDC/any agency of state has not expended Rs. 30 Crores but has utilized at least Rs. 15 Crores on the above items of infrastructure, then the eligible grant amount will be Rs. 15 cr.</i> <i>**It may be noted that while work done outside the Park gates can be counted for determining eligibility for release of grant, the actual DCS grant from the Government of India can only be used for work done inside the Park as per DCS guidelines and no portion of that grant can used for any work done outside the park gates</i>		
SECOND INSTALLMENT	30**	30
